2	17%-25%
8	50%-75%
9	100% - 133%
8	160%-220%
2	400%
Average Growth	132%

INSTRUCTOR COMMENTS

The teacher noted that she has been implementing Reading Recovery for over 30 years, yet has never experienced this kind of student growth or student engagement. She added that when her students see her in the hall, they call out with excitement, "CAPIT, CAPIT!" and proudly tell her what lesson they are on.
